

Call for Participation

We invite you to join us in **International conference on AI, Machine Learning in Communications and Networks (AIMLNET 2021)**

This will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Artificial Intelligence, Machine Learning impacts on Communications and Networks. The Conference looks for significant contributions to all major fields of the Artificial Intelligence, Machine Learning and networks in theoretical and practical aspects. The aim of the Conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of AIMLNET 2021 include:

- 7th International Conference on Computer Science and Information Technology (CSTY 2021)
- 7th International Conference on Signal and Image Processing (SIGI-2021)
- 7th International Conference on Artificial Intelligence and Applications (AI 2021)
- 7th International Conference of Managing Value and Supply Chains (MaVaS 2021)
- 7th International Conference on Bioinformatics & Biosciences (BIOS 2021)
- International Conference on Big Data, IOT & NLP (BINLP 2021)
- 7th International Conference on Networks, Mobile Communications And Telematics (NMOCT 2021)

Registration Participants

Non-Author / Co-Author/ Simple Participants (no paper)

300 USD (With proceedings)
