

Call for Participation

We invite you to join us in **7th International Conference on Signal and Image Processing (SIGI 2021)**

This is a forum for presenting new advances and research results in the fields of Digital Image Processing. The conference will bring together leading researchers, engineers and scientists in the domain of interest from around the world. The scope of the conference covers all theoretical and practical aspects of the Signal, Image Processing & Pattern Recognition. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences.

Highlights of SIGI 2021 include:

- 7th International Conference on Networks, Mobile Communications And Telematics (NMOCT 2021)
- 7th International Conference on Computer Science and Information Technology (CSTY 2021)
- 7th International Conference on Artificial Intelligence and Applications (AI 2021)
- 7th International Conference of Managing Value and Supply Chains (MaVaS 2021)
- 7th International Conference on Bioinformatics & Biosciences (BIOS 2021)
- International Conference on Big Data, IOT & NLP (BINLP 2021)
- International conference on AI, Machine learning in Communications and Networks (AIMLNET 2021)
